Master/Slave

**MASTER**   **SLAVE**

Order ABP cable (communication cable)

-5mtr ordernr 2-360
-10mtr ordernr 2-361
-20mtr ordernr 2-362

-Connect both ends in the controllers ABP connection.
-Choose Advanced menu by holding the SET key.
-In the master controller choose timer, countdown or on with the modus key.
-In the slave controller choose slave/copy or slave invert with the modus key.

Both controller now work on the timer/clock from the master controller.
